4. Comments:

- 4.1) Please identify what you perceive to be the real strengths and weaknesses of this instructor and course.
- I love her!
 - Professor Mateu is very passionate and enthusiastic. Super knowledgeable and her lecture notes were very helpful!
 - She is good at explaining everything clearly and gives a lot of examples and studies to back up everything. She is concerned about student learning and always encourages questions and sees that as much more important than getting through all the material.
 - She is very nice and teaches very well. Whenever in her office hour or during class, when we have questions, she is always very patient to answer our questions.
 - She's GREAT! Highly recommended.
 - The class pace is pretty fast. There are so much material to cover.
 - This class was definitely a lot of work. However, it was also a lot of fun and a lot of interesting information. Your lectures were engaging and I could feel how much you care for the (good) performance of your students. Thank you so much!
