### 4. Comments:

- <sup>4.1)</sup> Please identify what you perceive to be the real strengths and weaknesses of this instructor and course.
- I enjoyed the class. The summer session lecture is pretty heavy though so I recommend taking more than one break so that morale doesn't diminish. Other than that it was a great class. Highly recommend.
  - She is a wonderful instructor, the lectures were very well organized, the topics, carefully selected. she made sure everyone knew what was going on. made it very easy to find her during office hours and helped with all the questions that there were.
  - Victoria is a wonderful instructor. She is very strict and disciplined with her exams and assignments, and yet is always available to help and wants everybody to come out learning more than they know. She is one of my favourite professors.
  - Victoria is an excellent professor. She is also very encouraging of students to ask for help outside of the classroom. Additionally, she is quite efficient with regards to conveying the necessary information related to the class. I enjoyed her class very much.
  - Victoria is one of the best instructor I've had. She's passionate and knowledgeable about the material and is very helpful when we have questions
